Nicosia Sailing Club Regulations

May 4, 2023

Club Members

1. **What is a Club Member?**

A Club Member is any individual who has applied for membership, has accepted the Club's Regulations, his applications have been accepted by the Club's Board and has paid in full their annual membership fee within the allowed time period.

2. **Who can apply for Membership?**

Individuals who are actively involved with sports related to the Club, or those who wish to enrol their children in the Sailing Academy.

3. **How much is the membership?**

An annual membership costs 120 euro. A College/University Student annual membership costs 60 euro.

4. **How do I become a Club Member?**

Fill in our application form in Greek or English. You can find links on our website:

<http://nicosiasailingclub.com>

5. **Is there a family membership?**

Annual memberships cover families and their children up to 21 years old. After 21 years, children need to apply for a separate membership (see also College/University Student membership)

6. **Are there different privileges for some groups or types of members?**

All members are treated equally and share the same benefits and responsibilities without exceptions.

7. **Which period does the Membership fee cover?**

The annual Membership fee (including storage and locker fees) cover each calendar year from 1st January to 31st December.

8. **When must I pay my Membership?**

Membership fees are payable in advance at the beginning of each year and irrespective of the month the Member has originally registered. Membership fees notification reminders are sent before March of each year. Members are encouraged to pay them as early as possible. This helps the Club carry out the necessary cleaning and maintenance to prepare the Club for peak season.

9. **Is there a deadline for paying?**

Payment deadlines are stated on all issued invoices. Members with outstanding membership fees and/or storage fees may be expelled and/or have their equipment removed from storage. The Club ensures that multiple and adequate notifications are sent so that all Members can settle their outstanding bills on time.

10. How can I pay?

The easiest method is using our online payment system through JCC Smart. You can also pay by bank transfer or in-person at the Club.

Members Privileges

1. **Which areas of the club can Members use?**

The Club premises consist of the inside parking area, canteen, sunbeds area, showers, toilets, storage facilities (containers and lockers) and the rigging/windsurfing area. Members are allowed to use all areas of the Club

2. **Can I park inside?**

As a member you can apply to obtain a parking card for a deposit fee that allows you to park inside. You can apply for a maximum of 2 parking cards for use by yourself and another member of your family. Parking cards are not transferable to other people such as other members or your guests. Please do not let other people in with your parking card. The Club cannot guarantee the availability of parking spaces.

3. **Can I enrol in the Sailing Academy?**

Yes all members can enrol in the Sailing Academy (Optimist or Offshore) and can optionally participate in competitions (subject to trainer's approval)

Other

1. **What hours is the Club open?**

Please observe applicable working hours as posted from time to time on the Club's notice board. Entry and use of the Club's facilities outside these hours is PROHIBITED and may set off the alarm.

2. **Can I bring my pet?**

Pets are allowed inside the Club's premises provided that all health conditions are met and they are detained in such a way as not to cause threat, harm or nuisance to fellow members and guests.

Sports and risk responsibilities

The Club is dedicated to providing a space for members to engage in various sports activities and is actively promoting such activities.

1. **Risk Responsibility**

It is essential to note that any individual who participates in these activities, whether utilising their personal equipment or renting equipment from the club, does so at their own risk and acknowledges this inherent risk associated with such sports and activities. By engaging in such activities, individuals accept responsibility for their own safety and well-being.

2. **Monitoring, Rescue and recovery**

That the Club assumes no responsibility for monitoring individuals while at sea, nor the recovery or rescue of individuals from the sea or any water-related incidents.

3. **Prohibition of Kitesurfing**

The club's premises and the shore in front of the Club are not suitable for kitesurfing because they are used by beginner windsurfers and swimmers, therefore kitesurfing is prohibited.

The Club encourages members to actively watch out for one another while at sea, and report any incidents the soonest.

Swimming

1. Can I swim around the club area?

Please exercise particular caution when entering the water due to high-speed windsurfing, especially on windy days. If you are not sure, ask someone to indicate the allowed swimming area(s).

2. Where can children swim?

The Club has established a designated rectangular area specifically designed for children to swim. This area is suitable for children to enjoy swimming in a controlled and supervised environment. Parents and guardians are responsible for supervising their children and ensuring their safety while they are swimming in (and out of) the designated area.

3. Is there a lifeguard on duty?

There are no lifeguards on duty. Swim at your own responsibility.

Recreational activities

It is important to recognize that the club premises are not designed or intended as a playground or recreational area for ball games and running around.

1. Prohibition of ball games

In order to minimise the risk of accidents and injuries, the club strictly prohibits ball games, particularly football, within the club premises. The uneven terrain, presence of dangerous equipment, and general disturbance make such games unsuitable for the Club's premises. Instead, children are urged to get acquainted with sports that are officially offered by the Club.

2. Running and unsupervised activities

The club acknowledges the importance of physical activity for children and encourages a safe and active lifestyle. However, uncontrolled running and unsupervised activities pose a risk to both children and other club members and is therefore recommended to be avoided.

Compliance

All members are expected to comply with these regulations and cooperate in maintaining a safe and respectful environment within the club. It is the collective responsibility of all members to report any observed violations of these guidelines to the club management. Parents are responsible for ensuring that their children behave appropriately and their safety as well as that of other member's is maintained at all times.
